Wireframe

The wireframe shows a web form for campus placement prediction. It includes several input fields: a dropdown for 'Commerce', a text box for 'Degree Percentage' with the value '75', a dropdown for 'Under Graduation(Degree type)- Field of degree education' with the value 'Sci&Tech', a dropdown for 'Work Experience' with the value 'No', a text box for 'Employability test percentage (conducted by college)' with the value '70', a dropdown for 'Specialization' with the value 'Mkt&HR', and a text box for 'MBA Percentage' with the value '75'. A green 'Submit' button is located at the bottom of the form. The form is displayed within a browser window with a Windows taskbar at the bottom showing various application icons and system information like temperature, time, and date.
